ACCOMMODATION

- COINED accommodations have been carefully selected by members of our staff in order to guarantee not only the infrastructure but also the services offered by our host families. The participants as well as the host families must abide by the rules of conduct given by COINED. - In case that student's residences and apartments are fully booked, participants may be placed in other type of accommodation. - In case of bookings made two weeks before the program starts, COINED will not guarantee availability of the accommodation requested by the student since COINED gives priority to bookings made in advance. Moreover, COINED may change the price in order to provide an adequate accommodation for the student. - If students are not pleased with the assigned accommodation, they may request to change it. COINED will make every effort to look for another accommodation of the same type and characteristics when there are valid reasons for such a request. Any and all accommodation change request must be addressed to the school director via email or in writing. According to the accommodation availability, COINED accepts a maximum of three changes, each one of which will be processed within a minimum of 72 hours after receipt to make the accommodation change. - COINED will not pay for changes in accommodation made on the student's behalf. If a problem with the accommodation arises, the student should call the appropriate COINED 24 hours emergency phone number. - Even if COINED transfer service is not requested, the student must always inform COINED about the arrival time and date via e-mail or telephone at least 72 hs in advance. If the requested information is not provided, COINED can not guarantee that someone will be waiting at the accommodation for the student upon arrival. - The accommodation will be charged from 10 AM on the first day requested. The check-in to the assigned accommodation must be made from 10 AM to 12 PM or 6 PM to 8 PM on Sunday and students must leave the accommodation until 10 AM on Saturday. If the check-in and check-out times are not fulfilled, COINED will charge the corresponding additional days. If students do not arrive within the stipulated times, COINED does not guarantee that someone will be waiting for them. Students arriving between 10 PM and 6 AM will be received only if the arrival time has been duly communicated to our representatives or to the emergency cell phone number 96 hours in advance and if the transfer service has been hired. Otherwise, students will have to wait to be received in the accommodation during the scheduled reception times previously mentioned.

TRANSFER SERVICE

- Flight details (date, time, airline, and flight number) must be confirmed in writing one week before arrival, otherwise COINED will not guarantee the transfer service and there will be no refunds for this service. - If any changes as regards flight details are not duly informed, COINED will not take responsibility for the proper provision of the service. - If students arrive at a different time from the one already informed to COINED due to delays, flight changes, etc. COINED will provide the transfer service but will reserve the right to apply any additional changes if necessary.
